

**PURCHASE AND SALE AGREEMENT**

**FOR**

**ONE RIVERFRONT**

This Purchase and Sale Agreement (the “**Agreement**”) is executed by EW Riverfront East Investor, LLC, a Delaware limited liability company (“**Seller**”), and [redacted] (“**Purchaser**”), effective upon the date of mutual execution of this Agreement as provided under the parties’ signatures below (the “**Effective Date**”).

1. Purchase and Sale. Seller hereby agrees to sell and Purchaser hereby agrees to purchase, for the price and on the terms and conditions set forth in this Agreement, the following Condominium Unit (the “**Unit**”), as more particularly described herein:

Townhome Condominium Unit [redacted], One Riverfront, according to the Condominium Map of One Riverfront, and as defined and described in the Condominium Declaration for One Riverfront, both to be recorded in the Office of the Clerk and Recorder of the County of Eagle, Colorado.

The general location of the Unit is as shown on the site plan attached hereto as Exhibit A, although Purchaser acknowledges and agrees that the final constructed Unit will determine the actual location and orientation of the Unit. Upon completion of construction of the Unit, a final Condominium Map shall create the Unit based on such constructed location and orientation and, following the recording of such Condominium Map, the Unit shall mean the Unit as mapped on the recorded Condominium Map without the need for further writing or agreement between Seller and Purchaser. Purchaser acknowledges and understands that the Unit is unlike a conventional townhome unit in that the Unit is an air-space condominium and does not include the land underlying the Unit or the exterior walls of the Unit, which are Common Elements.

The general floor plan for the Unit and other information is attached hereto as Exhibit B. The Unit shall include the interior finish package noted on Exhibit C. The complete Plans and Specifications for the Unit are discussed in Section 4(b) below.

2. The Project.

a. Project. The Unit is part of a mixed-use condominium development being constructed by Seller in Avon, Colorado, known as “One Riverfront” (referred to hereinafter as “**One Riverfront**” or the “**Project**”) within the master planned community established by the Master Declaration for Riverfront Village recorded on November 14, 2006, at Reception No. 200631239, County of Eagle, State of Colorado (as amended and supplemented, the “**Master Declaration**” and the master planned community established thereby, “**Riverfront Village**”). The Project is being organized pursuant to the laws of the State of Colorado and is defined as a condominium under the general provisions of the Colorado Common Interest Ownership Act, C.R.S. § 38-33.3-101, et seq. (the “**Act**”). The Condominium Declaration for One Riverfront (the “**Project Declaration**”) and the final condominium map establishing the Project and creating the Unit (the “**Map**”) must be recorded in the real property records of the County of Eagle,

Colorado prior to the date of Closing (as defined in Section 8 below). The Project is further subject to the documents listed in Section 7 below. All elements of the Project are to be located on Lot 1, Riverfront Subdivision, according to the plat recorded on June 15, 2006 at Reception No. 200615950 County of Eagle, State of Colorado (the “**Project Property**”).

b. Condominium Units. As more fully described and defined in the Project Declaration, the Project consists of Residential Units, Commercial Units, and an Amenity Unit. Residential Units are comprised of the One RF Building Residential Units, the Townhome Condominium Units and Deed Restricted Units, each as defined in the Project Declaration. A Condominium Unit consists of a fee simple interest in an Individual Air Space Unit and an undivided fee simple interest in the Common Elements as described in the Project Declaration. Purchaser acknowledges that the Unit is a Townhome Condominium Unit as described in the Project Declaration.

c. Amenity Unit. Purchaser acknowledges that the Project is expected in a future phase of construction to include an “**Amenity Unit**” as defined in the Project Declaration which will contain a pool, spa pools, pool deck and restrooms located at the Project. Purchaser acknowledges and understands that the Amenity Unit and its facilities and services will not be General Common Elements of the Project and will instead be owned and operated by the Amenity Unit Owner as part of the Club Recreational Facilities Easement as defined in the Master Declaration. The Amenity Unit will be utilized by all owners within Riverfront Village who have access privileges to the Club Recreational Facilities Easement as set forth in the Master Declaration, as well as the guests, invitees and licensees of the Amenity Unit Owner as a “Shared Easement Owner” in the manner described in the Master Declaration. Purchaser acknowledges that, while one (1) hot tub is planned for the initial phase of construction, the full Amenity Unit and its amenities will not be constructed and available until after construction of the One Riverfront Building, as defined in the Project Declaration, which is planned as a subsequent phase of the Project.

d. Supplemental Master Association Assessments. As more fully described in Section 6.3 of the Project Declaration, Purchaser acknowledges and agrees that the Project is subject to a supplemental 16-unit/32 bedroom assessment obligation payable to the Master Association in addition to regular assessments to the Master Association (the “**Supplemental Master Association Assessments**”). Purchaser acknowledges and accepts that the Supplemental Master Association Assessments include costs for certain “Shared Easements” (as defined in the Master Declaration) that Purchaser will not be entitled to. The Supplemental Master Association Assessments will be blended and allocated among all of the Residential Units in the Project based on the number of bedrooms of a Residential Unit as a percentage of the total number of bedrooms of all such Residential Units. The Supplemental Master Association Assessment is reflected in the preliminary estimated budgets disclosed to Purchaser pursuant to Section 7(c) below, and Purchaser acknowledges that Purchaser has reviewed and accepted same.

3. Purchase Price. The purchase price for the Unit shall be \$\_\_\_\_\_ (the “**Purchase Price**”), payable as follows:

a. Earnest Money. Upon Purchaser's execution of this Agreement, Purchaser shall pay to Seller an initial earnest money deposit in an amount equal to ten percent (10%) of the Purchase Price, or \$\_\_\_\_\_ (the “**Initial Deposit**”). On or before the date falling forty-five (45) days after the Effective Date, Purchaser shall pay to Seller an additional sum of earnest money equal to ten

percent (10%) of the Purchase Price, or \$\_\_\_\_\_ (the “**Second Deposit**”) (the Initial Deposit and the Second Deposit, together equaling twenty percent (20%) of the Purchase Price, is referred to collectively herein as the “**Earnest Money Deposit**”). Purchaser's failure to pay the Second Deposit on the applicable date shall constitute a material default by Purchaser under Section 12 below. The Earnest Money Deposit shall be consideration for Seller reserving the Unit for Purchaser, and Seller agreeing not to sell the Unit to anyone other than Purchaser prior to the date set for Closing in Section 8 below. Seller shall not be required to hold any of the Earnest Money Deposit in escrow or in any separate account but shall disburse same for the direct benefit of the Project as Seller deems necessary at Seller’s sole and absolute discretion. All interest earned on the Earnest Money Deposit shall be Seller’s sole property and shall not be applied to the Purchase Price at Closing. The Earnest Money Deposit is non-refundable except as otherwise expressly provided in this Agreement.

b. Balance. Purchaser shall pay the balance of the Purchase Price, plus any other amounts owing by Purchaser to Seller under this Agreement at Closing in cash or certified funds, subject to adjustments under Section 9 below.

c. Personal Property. The Unit is being sold unfurnished and will contain only the appliances and equipment described in the Plans and Specifications. Seller will convey any personal property and fixtures installed within the Unit to Purchaser at Closing by bill of sale.

d. No Financing Contingency. Purchaser understands and agrees that **this Agreement is not contingent upon Purchaser obtaining financing for Closing** and that Purchaser will be obligated to pay all cash at Closing under this Agreement. Purchaser shall be solely responsible for making Purchaser’s own financial arrangements to enable Purchaser to pay Seller for the Unit and Purchaser acknowledges that the satisfaction of any condition imposed by a lender is solely at Purchaser’s risk, including, without limitation, the risk of any downward fluctuation in the value of the Unit.

4. Construction of the Unit.

a. Substantial Completion. Seller shall substantially complete construction of the Unit on or before the date falling two (2) years after the Effective Date, subject to Force Majeure as defined in Section 20(h) below. The Unit will be deemed substantially complete for all purposes under this Agreement on the date a temporary or conditional certificate of occupancy or any other document evidencing that the Unit may be legally occupied, whether subject to conditions or otherwise, is issued for the Unit by the Town of Avon, Colorado. Purchaser acknowledges that as of Closing, and for a reasonable period of time thereafter, subsequent construction at and in the immediate vicinity of the Unit (which may include by way of example, landscaping, exterior site work, etc.) may not be completed. The incompleteness of any such areas and the ongoing construction related thereto or other construction at or around the Unit shall not delay Closing. Purchaser further acknowledges that the Project consists of separate phases of construction, including, without limitation, the future construction of the One Riverfront Building (as defined in the Project Declaration) and substantial construction activities are expected to continue subsequent to Closing.

b. Plans and Specifications. The Unit will be constructed by Seller in substantial conformance with Plans and Specifications prepared by Seller's architect, Zehren and Associates, Inc. (the

“**Plans and Specifications**”). A copy of the Plans and Specifications is available for review by Purchaser at the offices of Seller, which are located at 126 Riverfront Lane, 5<sup>th</sup> Floor, Avon, Colorado, by appointment during normal business hours. Seller reserves the right, at its option, to substitute or change fixtures, equipment and materials, and make other minor modifications to the Plans and Specifications as Seller determines if Seller’s architect certifies that the quality and value of the Unit either remains substantially unaffected or is considered enhanced by such substitutions and changes.

c. Square Footage. Statements of approximate square footage of the Unit utilizing both the “architectural method” and the “air space measurement method” are made in the general floor plan for the Unit attached as **Exhibit B**. Purchaser acknowledges that such square footage disclosure utilizing the architectural method measures square footage from the outside face of sheathing on the exterior wall to the center of interior demising walls between units, and is often used as the measurement in architectural plans. The air space measurement method, typically used in condominium maps and recorded condominium declarations, varies from the architectural method and measures square footage from the inside edge of exterior walls and from the inside edge of demising walls, and is the measurement likely to be listed by the Eagle County Assessor’s Office in its public records. Any references to square footage in the Plans and Specifications and/or in Seller’s marketing materials likely utilizes the architectural method described above. Purchaser acknowledges and agrees that square footage calculations may be made in a variety of manners and Purchaser will have no right to rescind this Agreement, nor will Purchaser be entitled to any claim for breach of this Agreement or adjustment of the Purchase Price, on account of alleged discrepancies in square footage calculations. PURCHASER HEREBY ACKNOWLEDGES THAT PURCHASER HAS REVIEWED AND ACCEPTED THE PLANS AND SPECIFICATIONS AND HAS EITHER INDEPENDENTLY VERIFIED SQUARE FOOTAGES CONTAINED THEREIN OR ELECTED NOT TO DO SO. Purchaser further acknowledges and understands that minor changes in square footages may occur during construction of the Unit and that the square footages of the Unit as disclosed in **Exhibit B** are approximate only.

d. Site Tour by Purchaser. Upon reasonable advance request, Seller will allow Purchaser and Purchaser's authorized representatives to tour the construction site; provided, however, Seller may determine in its sole discretion whether the construction site is unsafe for a tour, in which event the requested tour will be postponed until a suitable stage of construction. During periods where tours are permitted by Seller, Purchaser nonetheless acknowledges and understands that during construction of the Unit or any other construction of the Project, hazardous conditions will exist and that insurance and security requirements prevent Purchaser and Purchaser's representatives from entering the construction site unless accompanied by an authorized representative of Seller. Purchaser shall strictly adhere to any safety precautions required by Seller as part of Purchaser’s tour. Any tour of the construction site by Purchaser and Purchaser's representatives will be at their own risk. Purchaser and Purchaser's representatives waive all claims against Seller and its lenders, members, investors, contractors, subcontractors, employees and agents and their respective employees and agents for personal injury or property damage caused by any person or thing during such a tour. Purchaser will indemnify, defend and hold harmless Seller and its lenders, members, investors, contractors, subcontractors, employees and agents against any claims, demands, loss, damages, liability or other expense arising out of such tour.

e. Control of Construction. Purchaser acknowledges that control, direction and supervision of all construction personnel at the construction site will lie exclusively with Seller and that

Purchaser may not issue any instructions to, or otherwise interfere with, construction personnel. Purchaser will not perform any work or contract with Seller's contractors or other builders, contractors, interior decorators, or others to perform work in or about the Unit until title is transferred to Purchaser at the Closing or otherwise agreed to in writing by Seller in Seller's sole and exclusive discretion. Purchaser will indemnify, defend and hold harmless Seller, and its lenders, members, investors, contractors, subcontractors, employees and agents against any claims, demands, loss, damages, liability, or other expense that they may incur by reason of Purchaser's breach of any provision of this Section.

f. Interior Finish Package. As part of the Purchase Price, the Unit shall include the interior finish package ("**Interior Finish Package**") selected for the Unit as noted in Exhibit C to this Agreement. The Interior Finish Package is described in the Plans and Specifications, a copy of which is available for review by Purchaser in the manner set forth in Section 4(b) above, and is summarized in the interior finish summary available to Purchaser. Notwithstanding the foregoing, construction scheduling may have already required that Seller select the Interior Finish Package for the Unit, in which event the Interior Finish Package for the Unit shall be the selection already checked as shown on Exhibit C.

g. Deviations. It is understood and agreed that Seller is not building the Project or the Unit to the precise specifications or designs of any model residence, marketing display, Seller's marketing materials or to the specifications of Purchaser. Any model residence, marketing display or Seller's marketing or other materials are displayed for illustrative purposes only and shall not constitute an agreement or commitment on the part of Seller to deliver the Unit in exact accordance with any such model residence, marketing display, Seller's marketing or other materials or to the specifications of Purchaser. Purchaser understands that the Unit may be the reverse or mirror image of the floor plan of any model that is shown on the Plans and Specifications, Seller's sales brochures or other materials. Furthermore, Purchaser understands and acknowledges that the Unit may contain conditions, or undergo changes, which during the ordinary course of construction, may result in minor deviation from the Plans and Specifications, and may also result in cosmetic or structural changes from the originally intended manner of construction. Such conditions may result from the type of materials used or available, the process and procedures used for construction of the Project, and may include, without limitation, conditions such as: (i) variations in the texture or thickness of textured or smooth finishing, including cracks in such materials; (ii) settlement cracks in drywall, concrete, stucco, flatwork, block walls and tile; (iii) twisting and warping of materials, including without limitation, wood and plastics, which can result in cracks, bulges and other types of imperfections; (iv) deviations in color, grain and texture that may occur in wood products, concrete, tile, granite, stone and other finish materials; (v) shrinkage, swelling, expansion or settlement of construction materials; and (vi) conditions resulting from normal wear, tear or deterioration.

h. Custom Change Requests. Purchaser understands and agrees that Seller is under no obligation whatsoever to accept requests from Purchaser for custom changes or upgrades to the Unit and that, if changes requested by Purchaser are acceptable to Seller, such changes shall not be deemed accepted until a written change order contract is signed between Purchaser and Seller's general contractor. Purchaser must request from Seller the written approval of Seller for permission to contract for any work to the Unit if such work is to be performed or if any materials for such work are ordered prior to the Closing, which approval may be withheld by Seller in Seller's sole discretion. Purchaser acknowledges that Seller is not to be a party to any such contract between Purchaser and the general contractor and that

any funds paid or payable to the general contractor shall not be considered part of the Earnest Money Deposit, and Seller shall not be obligated under any circumstances to have such funds returned to Purchaser upon the termination of this Agreement. In addition, Purchaser acknowledges and agrees that Seller shall not be responsible for any such changes in the work or for insuring same against loss or casualty prior to Closing. Purchaser is advised to confirm with the contractor that contractor's insurance will cover any such loss, Purchaser acknowledging that the cost of insurance may be included in the cost of any such work.

5. Limited Warranty. Seller warrants that all materials incorporated in and made a part of the structure of the Unit shall be new as of the date of installation and shall remain free from defects in workmanship or quality for a period of one (1) year from the date of Closing. Seller represents that Seller will cause to be remedied, by repair or replacement, any structural defects in the Unit which appear within one (1) year after the date of Closing and which result from faulty material or workmanship, provided that Purchaser gives Seller written notice of any such defect within ten (10) days after Purchaser's discovery of the defect. Any such notice shall be addressed to Seller at the address following Seller's signature below, or such other address for notice furnished to Purchaser in accordance with Section 14 below. Purchaser's sole remedy (in lieu of all remedies implied by law or otherwise) against Seller in connection with such defects shall be to require Seller to correct the defect in material or workmanship. Seller shall not be responsible for any defects where the cause is determined to result from Purchaser's actions, negligence or insufficient maintenance. This limited warranty does not extend to any Common Elements of the Project, including, without limitation, building systems serving the Unit. ***Seller's warranty hereunder is non-transferable and in no event shall any subsequent purchaser of the Unit be entitled to any claim for repair, replacement or otherwise of any part of the Unit, including without limitation the structural components of the Unit, except as may be required by law. Additionally, by executing this Agreement Purchaser agrees to include the foregoing confirmation of non-transferability of Seller's warranty in any subsequent purchase and sale agreement for the Unit.***

Any appliance, item of equipment, or other item in the Unit (whether or not attached to or installed in the Unit) which is a "consumer product" as defined in the Magnuson Moss Warranty Act, 15 U.S.C. § 2301, is hereby excluded from the coverage under this limited warranty. The following are examples of consumer products: fire and security alarm systems, refrigerator, trash compactor, range, dishwasher, garbage disposal, gas fireplace unit, air conditioner, furnace, hot water heater, water source heat pump, clothes washer and dryer, hot tub, audio/visual equipment and thermostats. The Unit may not contain some of these items, and it may contain other items that may also be consumer products. With regard to any consumer products in the Unit, Seller disclaims all warranties. Seller is not responsible for performance under any such manufacturers' warranties in any way. However, Seller hereby assigns and transfers to Purchaser all manufacturers' warranties applicable to all such consumer products, subject to final Closing and conveyance of the Unit. WITH REGARD TO ANY SUCH CONSUMER PRODUCTS, WHETHER OR NOT WARRANTED BY MANUFACTURERS, SELLER DISCLAIMS ALL WARRANTIES INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

PURCHASER AGREES TO COMPLY WITH ALL MAINTENANCE MANUALS AND OTHER DOCUMENTS AND RECOMMENDATIONS PROVIDED TO PURCHASER WITH RESPECT TO THE INSPECTION, OPERATION AND ROUTINE MAINTENANCE OF ALL

SYSTEMS, EQUIPMENT, AND SIMILAR ITEMS (INCLUDING, BUT NOT LIMITED TO, MECHANICAL, ELECTRICAL, PLUMBING, STRUCTURAL AND EXTERIOR SYSTEMS AND IMPROVEMENTS) MADE PART OF OR SERVING THE UNIT. PURCHASER UNDERSTANDS AND AGREES THAT IF PURCHASER FAILS TO FOLLOW THE INSPECTION, MAINTENANCE AND REPAIR REQUIREMENTS AND STANDARDS CONTAINED IN SUCH MANUAL OR MATERIALS DELIVERED TO PURCHASER AND SUCH FAILURE CAUSES, WHETHER IN WHOLE OR IN PART, DAMAGE TO THE UNIT OR OTHER PROPERTY, THE RESULTING DAMAGE SHALL NOT BE COVERED BY THIS LIMITED WARRANTY AND SHALL FURTHER BE DEEMED NOT TO BE THE RESULT OF A DESIGN OR CONSTRUCTION DEFECT.

EXCEPT AS STATED IN THE FIRST PARAGRAPH OF THIS LIMITED WARRANTY ABOVE, SELLER MAKES NO WARRANTY OR REPRESENTATION OF ANY NATURE, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF WORKMANLIKE CONSTRUCTION, HABITABILITY, DESIGN, CONDITION, OR QUALITY AS TO THE UNIT, THE UNIT, OR THE OTHER IMPROVEMENTS CONSTITUTING THE PROJECT, AND, TO THE EXTENT PERMITTED BY LAW, SELLER SPECIFICALLY EXCLUDES SUCH MATTERS IN CONSIDERATION OF THE EXPRESS WARRANTIES GIVEN UNDER THIS AGREEMENT.

AS MORE FULLY SET FORTH IN SECTION 19(cc) BELOW, SELLER MAKES NO REPRESENTATION OR WARRANTY CONCERNING ANY GEOLOGICAL OR ENVIRONMENTAL MATTERS AND SPECIFICALLY EXCLUDES GEOLOGICAL AND ENVIRONMENTAL MATTERS FROM ANY WARRANTIES GIVEN UNDER THIS AGREEMENT.

Except as otherwise provided in this limited warranty, Purchaser assumes the risk of damage occurring in the Unit after Closing. Notwithstanding any provisions in this Section 5 to the contrary, this Section shall be construed in accordance with Colorado law and limited to the extent necessitated thereby.

The provisions of this Section shall survive Closing.

6. Title. Title will be marketable in Seller at the time of Closing, subject to the matters set forth in **Exhibit D** attached hereto and made a part hereof, the Community Documents referred to in Section 7 below and those matters shown on the Map of the Project. At least sixty (60) days prior to the anticipated Closing date, Seller, at its expense, will give to Purchaser a title insurance commitment (the “**Commitment**”) issued by a title insurance company of Seller’s choice (the “**Title Company**”) to insure the title to the Unit in Purchaser’s name for the amount of the Purchase Price. After the Closing, Seller, at its expense, will cause the Title Company to issue to Purchaser a title insurance policy in conformance with the Commitment. If the Commitment discloses the existence of any defects in title, other than those set forth in **Exhibit D**, the Community Documents referred to in Section 7 below, those matters shown on the final Map and the standard printed exceptions appearing in the Title Commitment, and such defects render title to any portion of the Unit unmarketable and the defects are not waived by Purchaser, Purchaser must give Seller written notice of the title defects within seven (7) days after receipt of the Commitment (or receipt of any revised Commitment listing new exceptions to title). Thereafter, Seller will have forty-five (45) days in which Seller may elect to cure the defects and render title marketable or provide title insurance against the defects, and the Closing shall be postponed accordingly. If Seller fails to cure the defects or

provide title insurance after timely notice of the defects or Seller elects not to pursue a cure or title insurance as evidenced by a written notice to Purchaser, Purchaser, as its sole remedy, may elect, within seven (7) days after the end of the forty-five (45) day period, either (a) to terminate this Agreement, in which event the Earnest Money Deposit paid to Seller under this Agreement will be returned to Purchaser, and neither party will have any further obligations under this Agreement; (b) with Seller's consent, to grant one or more additional periods of time within which Seller shall continue to attempt to cure, remove or obtain title insurance protection against the exceptions; or (c) to accept title with all defects as shown in the Commitment, without adjustment in the Purchase Price. If Purchaser fails to give timely notice of termination, Purchaser will be deemed to have elected to accept title as shown in the Commitment and to have waived all defects. Purchaser expressly relinquishes and waives any and all other remedies, claims, demands, and causes of action at law or in equity against Seller for failure to deliver marketable title. No equitable title to the Unit will pass to Purchaser until Closing.

Promptly following the recording of the final Condominium Map creating the Unit and the Project Declaration, Seller shall procure a legal description of the Unit and deliver to Purchaser, at least five (5) days before Closing, the Commitment in a revised form, reflecting the final recorded Map, Declaration, the final legal descriptions of the Unit and other reasonable adjustments to the Commitment applicable to the formation of the Project and creation of the Unit (the "**Final Title Commitment**"). The Final Title Commitment will commit to insure marketable title to the Unit in Purchaser, upon payment of the policy premium by Seller and the satisfaction of certain requirements by Seller, subject to the standard printed exceptions and the exceptions accepted by Purchaser pursuant to this Section above. After the Closing, Seller, at its expense, will cause the Title Company to issue to Purchaser a title insurance policy in conformance with the Final Title Commitment.

7. Unit Owners' Association Matters.

a. Master Association. Purchaser acknowledges that as owner of the Unit, Purchaser shall be subject to the provisions and restrictions contained in the Master Declaration, shall automatically become a Riverfront Residential Member of the owners' association established pursuant to the Master Declaration (the "**Master Association**") and shall be governed by the Master Association's articles of incorporation, bylaws, and rules and regulations from time to time in effect. These documents require, among other things, membership by Purchaser in the Master Association and payment of assessments to the Master Association independent of those to be paid to the Association. Further, Owners understand and agree that Owners are obligated to pay to the Master Association the Supplemental Master Association Assessments as described in Section 2(d) above.

b. Association. Purchaser also acknowledges that as owner of the Unit, Purchaser shall be subject to the provisions of and restrictions contained in the Project Declaration and the Map, shall automatically become a member of the owners' association established for the Project under the Project Declaration (the "**Association**"), will be required to pay assessments to the Association, and shall be governed by the Association's articles of incorporation, bylaws, and rules and regulations from time to time in effect. The estimated combined homeowner's assessments for the Unit payable to both the Association and to the Master Association, including amounts for the Supplemental Master Association Assessment, is \$\_\_\_\_\_ per quarter. Purchaser acknowledges that these assessments are based upon an estimate only and that actual assessments may vary from this estimate. Assessments of the Association and the Master

Association may, at the election of the Association, be combined in a single bill to Purchaser from the Association.

c. Other Restrictions. Purchaser also acknowledges that Purchaser shall be subject to all other instruments and documents recorded with the Clerk and Recorder of Eagle County, Colorado, which concern and restrict the use, occupancy and maintenance of the Unit and the Project.

d. Community Documents. By signing this Agreement, Purchaser acknowledges the opportunity to review prior to signing this Agreement those documents listed in i-vi below (collectively, the “**Community Documents**”), which Community Documents have been posted on the website to which Purchaser has been granted access. By signing this Agreement, Purchaser is deemed to have fully accepted the Community Documents and to have waived their right to object to the Community Documents.

i. Drafts of the Project Declaration and the Articles of Incorporation, Bylaws and Responsible Governance Policies of the Association;

ii. A preliminary, pro forma budget of the Association’s estimated annual income and expenditures and including the Supplemental Master Association Assessments;

iii. The Master Declaration and the Articles of Incorporation, Bylaws and Responsible Governance Policies of the Master Association;

iv. The current budget of the Master Association; and

v. A summary soils report applicable to the land underlying the Project, which Purchaser acknowledges is not specific to the Unit.

vi. Acknowledgement and Agreement recorded at Reception No. 202113659 in the real property records of Eagle County, Colorado (the Vacation Club Dues Subsidy as discussed in such Acknowledgment and Agreement being the Supplemental Master Association Assessments as described in this Agreement and the Project Declaration).

e. Seller’s Right to Make Changes to Community Documents. Seller reserves the right to amend the Community Documents at any time or from time to time prior to the Closing as Seller may deem necessary or desirable to make corrections or to meet the requirements of applicable laws, governmental regulations, lending institutions, marketing programs and to make other changes or so long as the amendments do not materially diminish the practical enjoyment and use by Purchaser of the Unit. In the event that any such amendment does materially diminish the practical enjoyment and use by Purchaser of the Unit, Purchaser may, as Purchaser’s sole remedy, object to same pursuant to the procedures of Section 6 above. Prior to Closing, if such amendment, modification, change or revision materially diminishes the practical enjoyment and use by Purchaser of the Unit, Purchaser may terminate this Agreement within three (3) days after receiving a copy of such amended, modified, changed or revised documents or materials, whereupon the Earnest Money Deposit paid by Purchaser shall be refunded by Seller and the parties hereto shall have no rights or liabilities hereunder. In the event Purchaser fails to provide Seller with such notice of termination within said three (3) day period, Purchaser shall be conclusively deemed to have consented to the amended, modified, changed or revised documents or materials, and this Agreement shall remain in full force and effect. Purchaser acknowledges that Seller has reserved the right, at any time after Closing, to amend and supplement the Community Documents for the purposes and under the conditions outlined in the Community Documents, including, without limitation, the annexation of portions or all of the Expansion Property (as defined in the Project Declaration) into the Project.

f. Parking. The parking facility and parking spaces located on and serving the Property shall be designated General Common Elements of the Project. Subject to regulation of such parking by the Association through its rule-making authority, all parking within the parking facility shall be unassigned and available to Owners on an availability basis; provided, however, the Executive Board of the Association has the authority to post signage that restricts certain parking spaces for use by a particular class of Owners in the Project, in which event such spaces shall be unassigned and available to Owners within that class on an availability basis.

g. Amenity Unit. Purchaser acknowledges that the Project is expected in a future phase of construction to include an “**Amenity Unit**” as defined in the Project Declaration which will contain a pool, spa pools, pool deck and restrooms. The Amenity Unit and its facilities and services shall be operated by the Amenity Unit Owner as part of the Club Recreational Facilities Easement as defined in the Master Declaration in the manner contemplated by the Master Declaration, including, without limitation, the right of the Amenity Unit Owner to allocate operating and capital costs of the Amenity Unit to the Master Association and payable by Owners as part of the Master Association assessments. While Owners enjoy access privileges to the Amenity Unit, and are subject to certain obligations, each pursuant to the Club Recreational Facilities Easement as set forth in the Master Declaration, the Amenity Unit and its facilities and services are not General Common Elements of the Project. The Amenity Unit Owner retains all rights of ownership, management and use in the Amenity Unit as further described in the Project Declaration and the Master Declaration. Purchaser is advised to review the requirements and restrictions applicable to the Amenity Unit in the Project Declaration and in the Master Declaration.

8. Closing.

a. Closing Date. The Closing shall occur after substantial completion of the Unit at a date, hour and place designated by Seller; or, at Seller’s or Seller’s agent’s option, Closing will be accomplished by an exchange of the required documents by certified mail or overnight express courier service selected by Seller. Seller, or Seller’s agent, will give to Purchaser written notice of the date of Closing at least fifteen (15) days in advance of the scheduled Closing date, which date may be extended by subsequent written notice of Seller provided such subsequent notice is at least five (5) days in advance of the new scheduled Closing date. A certification by one of Seller’ employees or agents that notice was given to Purchaser will be conclusive for purposes of proving that notice was in fact given. If Purchaser fails to receive any notice because Purchaser failed to advise Seller of any change of address or because Purchaser failed to pick up correspondence, Purchaser will not be relieved of Purchaser’s obligation to proceed with Closing on the Closing date unless Seller agrees in writing to postpone the Closing date. Purchaser understands that Seller is not required to reschedule or to permit a delay in Closing.

b. Closing Procedures. Unless accomplished by certified mail or overnight express courier service as set forth in Subsection 8(a) above, the Closing shall be held in Eagle County, Colorado, at a time and place specified by Seller in the notice given under Section 8(a) above, unless extended pursuant to Section 8(a) above, or at such other time and place as shall be mutually acceptable to Seller and Purchaser. At the Closing, the parties shall take the following actions:

- i. Seller shall deliver to Purchaser an executed and acknowledged special warranty deed to the Unit subject only to those matters as set forth in Section 6 of this Agreement and any other title exceptions waived by Purchaser or permissible pursuant to Section 6 above;
- ii. Seller shall convey title to the personal property and fixtures installed within the Unit by a quit claim bill of sale, without warranty;
- iii. Purchaser shall pay the balance of the Purchase Price as required by Section 3(b) above and the balance of any prices for upgrades selected by Purchaser pursuant to Section 4(h) above; and
- iv. Purchaser and Seller shall execute and deliver such other documents, pay such other amounts, and take such other actions as may be necessary to accomplish the Closing and carry out their obligations under this Agreement.

c. Closing Costs. Purchaser agrees to pay the cost of any endorsements to the Commitment or title policy, the cost of Purchaser's lender's title insurance coverage, the documentary fee on the deed conveying the Unit and the fee for recording the deed, any sales taxes on the personal property conveyed and any transfer assessment or tax imposed upon the sale of the Unit by any governmental, quasi-governmental or private entity at Closing, including, without limitation, the real estate transfer tax equal to two percent (2%) of the Purchase Price payable to the Town of Avon. Seller shall pay the base premium for title insurance coverage for Purchaser in the amount of the Purchase Price. If, at the request of Purchaser and agreed to by Seller, the Closing is held in a location other than Avon, Colorado, Purchaser shall pay at Closing all costs of whatever kind or nature incurred by Seller or its agents in accommodating Purchaser, including, without limiting the generality of the foregoing, all costs of any courier service or postage. Seller and Purchaser agree to pay all other costs associated with the Closing that are customarily paid by sellers and purchasers in similar transactions in Eagle County, Colorado, including, without limitation, the Title Company's closing fee, which shall be divided equally between the parties. Purchaser must cause all utilities serving the Unit to be transferred into Purchaser's name with Purchaser being solely financially responsible for same as of the date of the Closing.

d. Pre-Closing Inspection. Prior to the Closing, Purchaser agrees to participate in one walk-through of the Unit ("**Walk-Through**") with Seller's representative in order to compile a list of items the parties mutually agree need correction, which are apparent at the time of inspection ("**Walk-Through List**"), which Walk-Through List shall be signed by both Purchaser and Seller. If Purchaser fails or refuses to complete the Walk-Through or to sign the Walk-Through List, or to have Purchaser's designee do so on Purchaser's behalf prior to Closing, Seller may either designate a qualified third party, who is not an agent or employee of Seller, to complete the inspection on Purchaser's behalf before the Closing, or, at Purchaser's election, Purchaser may waive, in writing, Purchaser's right to participate in the inspection ("**Walk-Through Waiver**"). Items of uncompleted construction, which do not materially affect occupancy, shall not provide a basis for Purchaser to cancel this Agreement, withhold funds at the Closing, or delay the Closing. Seller will endeavor to complete the items on the Walk-Through List at Seller's expense within the later to occur of sixty (60) working days after preparation of the Walk-Through List or sixty (60) working days after the date of Closing, subject to extension for such period as Seller is delayed for reasons outside of its control. Purchaser understands that paving, exterior cement work, landscaping, final exterior finish and some components of the Project may not be completed when a temporary or conditional certificate of occupancy is issued and that Seller will complete such paving, exterior cement work, landscaping and final exterior finish work as soon as practicable thereafter. Purchaser's refusal to

close this transaction due to the need for reasonable further work (to be noted on the Walk-Through List with respect to the Unit) shall constitute a default by Purchaser under this Contract.

e. Insurance. Purchaser acknowledges that the Project Declaration sets forth the insurance coverage responsibilities governing the Unit and accepts the same.

9. Adjustments. The following items shall be adjusted as of the date of Closing:

a. Taxes and Assessments. Real property taxes and assessments for the year of Closing, based upon the most current assessment and mill levy, and all assessments or charges imposed on the Unit by any governmental, quasi-governmental or private entity, including, without limitation, the Association and the Master Association, shall be apportioned to the date of Closing. If real property taxes have not been assessed specifically to the Unit in such prior year, Seller may reasonably estimate the amount of such taxes attributable to the Unit, which estimate shall be apportioned to the date of Closing and shall be considered a final settlement.

b. Association's Operations and Reserve Fund. At Closing, Purchaser shall pay to the Association and to the Master Association each an amount equal to three months' regular assessments as a working capital contribution in the manner described in the Project Declaration and the Master Declaration.

c. Fees for Extended Closing Date. In the event Purchaser fails to close the transaction contemplated by this Agreement on the Closing date for any reason other than for a delay desired, requested or caused by Seller (including Purchaser's failure to obtain or procure any document or instrument required at Closing), the adjustments set forth in Sections 9(a) and 9(b) above shall be made as of the original Closing date. In addition, Purchaser will pay to Seller interest computed at the annual rate of eighteen percent (18%) on such amounts, which interest shall be paid by Purchaser at the actual Closing date, for the period beginning on the original Closing date and continuing through the actual Closing date.

10. Possession. Purchaser will have possession of the Unit upon completion of the Closing. After Purchaser takes possession, portions or phases of the Project may remain uncompleted. Seller and its agents, contractors, and employees will have the right to enter on the Project as necessary to complete the Project, and Purchaser acknowledges that construction activities may take place on or within the Project after Purchaser takes possession of the Unit. Seller and its agents, contractors and employees will take reasonable measures relative to the safety of Purchaser and Purchaser's lessees, family, guests and invitees. Purchaser acknowledges that Purchaser's possession will constitute Purchaser's agreement that Purchaser, Purchaser's lessees, family, guests and invitees will remain outside of any fenced or posted construction areas and any other areas in which work is being performed pending completion of the Project and that Purchaser will indemnify and hold harmless Seller and its agents, contractors and employees from and against any and all loss or liability on account of such entry by Purchaser or such other persons. The terms and covenants of this Section will survive the Closing. Further, the terms and covenants of this Section are supplemental to and are not substituted for the covenants, conditions, and restrictions set forth in the Project Declaration and/or the Master Declaration.

11. Brokers. Each party represents to the other that no real estate broker other than Slifer, Smith & Frampton Real Estate (the “**Broker**”) and \_\_\_\_\_ (the “**Cooperating Broker**”) has any claim for compensation or expenses as a result of this transaction and each party shall indemnify the other against any claims for commissions or other compensation by any other broker or finder with whom the indemnifying party has dealt. Seller agrees to compensate the Broker and the Cooperating Broker for services rendered in this transaction. Purchaser, by signing this Agreement, acknowledges prior, timely receipt of notice that the Broker and its agents are agents of Seller, unless such agency relationship is modified by an addendum to this Agreement. In addition, Purchaser acknowledges that the agency relationship between the Purchaser and the Cooperating Broker has previously been disclosed to the Purchaser and that the Cooperating Broker is not acting as an agent of the Seller. Purchaser further acknowledges that certain principals of Seller may also hold an ownership interest in Broker. Broker and Cooperating Broker are not parties to this Agreement. The joinder of neither Broker nor Cooperating Broker is required to amend or terminate this Agreement.

12. Performance; Default.

a. Time is of the Essence. Time is of the essence with regard to the performance of the obligations of Seller and Purchaser under this Agreement. If the date for any such performance falls on a Saturday, Sunday, or banking holiday, the date of performance shall be extended to the next regular business weekday.

b. Seller’s Default Before Closing. If Seller is in material default under this Agreement before Closing (including, without limitation, for failure to timely close) and if, within five (5) days after receipt from Purchaser of written notice of the default, Seller fails to commence the steps necessary to cure the default and to complete the cure within a reasonable time, and if Purchaser is in compliance with all its obligations under this Agreement, then Purchaser may terminate this Agreement by written notice to Seller. In that event, the Earnest Money Deposit (without interest) shall be returned to Purchaser, and the parties will have no further liability to each other except for those obligations which, by their express terms, survive termination of this Agreement. Alternatively, Purchaser may waive such default and proceed to Closing, and Purchaser shall have the right of specific performance to enforce Seller’s obligation to close. Notwithstanding the foregoing, Purchaser shall have all rights and remedies available to Purchaser at law or in equity with respect to any failure by Seller to substantially complete construction of the Unit in accordance with the timing set forth in this Agreement.

c. Purchaser’s Default Before Closing. If Purchaser is in material default under this Agreement before Closing (including, without limitation, for failure to timely close), then subject to Section 12(e) below, Seller’s sole remedy shall be to terminate this Agreement. In that event, Seller shall be entitled to retain the Earnest Money Deposit and any interest as liquidated damages. Purchaser and Seller agree that if Purchaser is in breach of Purchaser’s obligations under this Agreement, it will be difficult to determine Seller’s damages, which include (without limitation) the lost opportunity of selling the Unit to another purchaser while it was under contract to Purchaser. Consequently, the liquidated damages provided in this Agreement are a fair and reasonable estimate of Seller’s damages.

Further, if Seller elects to terminate this Agreement following a default by Purchaser, and if, at the time of Seller's exercise of that remedy, there remains outstanding and unpaid any invoice for work and/or

materials benefiting the Unit and ordered by Purchaser, then Seller shall have the right, in addition to any other rights and remedies reserved or allowed for Seller under this Agreement or by law, to pay those invoices to ensure that no mechanic's or materialman's lien will be imposed against the Unit, and to charge Purchaser for all amounts so paid by Seller. Any amounts paid by Seller for such work or materials will bear interest at an annual rate equal to eighteen percent (18%), beginning the fifth day after Seller gives notice to Purchaser of the amount paid by Seller and due from Purchaser.

d. Exceptions to Limitations on Seller's Remedies. The limitations on Seller's remedies above shall not apply in the event of a default by Purchaser arising from Purchaser's recording of this Agreement (or a memorandum of it) in violation of Section 16 below.

e. Default After Closing. In the event of a default by either party arising after Closing, the non-defaulting party shall have all rights and remedies permitted by law, subject to the express limitations set forth in other provisions of this Agreement, including, without limitation, the Mandatory Alternative Dispute Resolution Procedures described in Section 12(g) below. Claims or demands shall be made within a reasonable time after any dispute has arisen, and in no event shall be made after the date when institution of legal or equitable proceedings based on such dispute would be barred by the applicable statute of limitations.

f. Effect of Closing. Upon conveyance of the Unit and completion of the Closing, Seller and Purchaser shall be released from their respective obligations under this Agreement except those that, by their express terms, survive Closing.

g. **Mandatory Alternative Dispute Resolution. IMPORTANT NOTICE: Seller and Purchaser agree to be bound by the Alternative Dispute Resolution Procedures set forth in Article 16 of the Project Declaration accepted by Purchaser prior to Purchaser's execution of this Agreement as acknowledged in Section 7(d) above (the "Procedures"). (Seller is referred to as "Declarant" and Purchaser as an "Owner" in the Procedures.) The Procedures shall govern all disputes between Seller and Purchaser in the manner set forth in the Procedures, which Purchaser acknowledges and agrees contains, among other matters, the requirement of binding arbitration.**

13. Risk of Loss; Casualty.

a. Allocation of Risk. Seller shall bear the risk of loss to the Unit until the Closing. After Closing, Purchaser shall bear all such risk of loss.

b. Termination Following Casualty. If casualty by fire or otherwise occurring prior to Closing damages more than 30% of the Unit, then Seller shall have the right to terminate this Agreement by giving notice to Purchaser within twenty (20) days after the date of the casualty damage. With any such notice, Seller shall return to Purchaser the Earnest Money Deposit, Purchaser acknowledging that Purchaser shall have no other remedy for Seller's failure to proceed to Closing because of such damage,

and the parties shall be released from all other obligations under this Agreement. If (i) the casualty damage exceeds the percentage limitations set forth above, and if Seller does not give Purchaser notice of Seller's intent to terminate this Agreement within twenty (20) days as provided above, or (ii) the casualty damage does not exceed such percentage limitations set forth above, then in either case, Seller shall repair the damage and rebuild the Unit as soon as reasonably practicable, and the Closing shall be delayed as necessary to allow the completion of such repair and rebuilding work.

Zehren and Associates, Inc., the architects who designed the Project, shall be the sole party responsible for determining the percentage of damages for purposes of this Section.

c. Eminent Domain. No taking by eminent domain of a portion of the Project that does not substantially interfere with or diminish the practical enjoyment and use by Purchaser of the Unit shall be deemed grounds for termination of this Agreement. In the event, however, that a taking by eminent domain results in a taking of a portion of the Project Property that diminishes the practical enjoyment and use of the Unit prior to the Closing date, this Agreement shall be deemed to have automatically terminated, in which event the Earnest Money Deposit and all other amounts paid to Seller in connection with this Agreement (including upgrade costs) shall be returned to Purchaser, and neither party shall have any further obligations under this Agreement. Notwithstanding the foregoing, Purchaser may independently assert any separate claims against the condemning authority.

14. Notices.

a. Form. All notices or deliveries required under this Agreement shall be hand-delivered or given by email transmittal (if by email transmission, subject line should state in all capital letter FORMAL CONTRACT NOTICE), regular mail, or overnight courier directed to the address of Purchaser and Seller set forth under their signatures. All notices so given shall be considered effective, if hand-delivered, when received; if delivered by email transmittal, upon delivery; if delivered by courier, one business day after timely deposit with the courier service, charges prepaid; or if mailed, three days after deposit, first class postage prepaid, with the United States Postal Service. Either party may change the address to which future notices shall be sent by notice given in accordance with this Section. Seller's agent or Broker may send notices at the direction of and in place of Seller. The following email addresses shall be used for email notices:

If to Purchaser:

If to Seller: [jtelling@ewpartners.com](mailto:jtelling@ewpartners.com)

With a copy to: [rtravers@wtpvail.com](mailto:rtravers@wtpvail.com)

b. Purchaser Designated for Notice. If there is more than one Purchaser, Seller shall be required to give notice to only one of those parties. Purchaser shall designate the party to receive notice, and if no one party is designated, Seller shall be deemed to have given adequate notice with notice given in accordance with this Section to any one of the parties comprising Purchaser.

15. Assignment; No Marketing of the Unit. This Agreement is personal to Purchaser, and Purchaser may not assign this Agreement, and may not lease, rent or grant any other occupancy right in the

Unit before Closing for period(s) after Closing (in each case, a “**Purchaser Assignment**”), without the prior written consent of Seller. Any purported attempted Purchaser Assignment without Seller's written consent, including, without limitation, by the inclusion of the Purchaser's purchase interest in the Unit in a real estate multiple listing service and/or publication or the marketing for sale or Leasing of the Unit or of Purchaser’s purchase interest in the Unit on any on-line electronic medium or on any newspaper, radio, television or other publication or medium, shall be voidable and shall place Purchaser in default under Section 12 above, at the option of Seller. Seller's refusal to consent to a Purchaser Assignment shall not entitle Purchaser to terminate this Agreement or give Purchaser any rights or claims for damages against Seller. Notwithstanding the foregoing, Purchaser may assign this Agreement before Closing to a corporation, limited liability company, partnership or trust controlled by or owned entirely by Purchaser (or Purchaser’s immediate family members) without Seller’s consent; provided, however, that (i) Purchaser delivers a copy in writing to Seller promptly following the assignment but in no event later than seven (7) days prior to Closing, (ii) the Earnest Money Deposit shall remain with Seller and the original Purchaser shall be solely responsible for the reimbursement, if any, of the Earnest Money from the assignee, and (iii) the original Purchaser shall not be released from this Agreement by reason of such assignment.

Seller may assign its rights and delegate its duties under this Agreement to any affiliate of Seller or to any lender to Seller, without Purchaser's consent. If any assignment by Seller (or its successors or assigns) shall be for the purpose of securing a lender to Seller (or its successors or assigns), Purchaser’s rights under this Agreement shall, at the option of such lender, be subject and subordinate to the rights of such lender. In the event of a conflict between this Section and any other Section of this Agreement, this Section shall prevail.

16. Prohibition Against Recording. Neither this Agreement nor any memorandum or notice of it shall be recorded. If Purchaser violates this restriction, the event of recording shall be considered a default by Purchaser, and Seller shall have all remedies available to it as a result of such default, including, without limitation, terminating this Agreement and retaining the Earnest Money Deposit and any interest earned on it, and bringing an action for damages and/or equitable relief. The recording of this Agreement or any memorandum or notice of it shall not be considered for any purpose as constituting a cloud or defect upon the marketability of Seller’s title to the Unit or any other property comprising the Project or adjacent to or in the vicinity of the Project.

As required by the Real Estate Settlement Procedures Act of 1974, Purchaser acknowledges that Seller has not directly or indirectly required Purchaser, as a condition of sale, to purchase either a fee owner's or mortgagee's title insurance policy from any particular title company. If Purchaser does not wish Seller to purchase the Title Insurance Policy from the Title Company as provided in this Agreement, Purchaser may elect to obtain such title insurance from a title company of his or her choice and shall pay, at Closing, that portion, if any, of the Title Insurance Policy premium in excess of what the premium would have been if Purchaser had accepted the Title Insurance Policy offered by Seller.

THE OWNER OF THE UNIT WILL BE REQUIRED TO BE A MEMBER OF THE OWNERS' ASSOCIATIONS FOR THE COMMUNITIES AND WILL BE SUBJECT TO THE BYLAWS AND RULES AND REGULATIONS OF THE ASSOCIATION AND THE MASTER ASSOCIATION. THE PROJECT DECLARATION AND THE MASTER DECLARATION AND THEIR RESPECTIVE BYLAWS, POLICIES AND RULES AND REGULATIONS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS OF THE ASSOCIATION AND OF THE MASTER ASSOCIATION. IF THE OWNER DOES NOT PAY THESE ASSESSMENTS, THE ASSOCIATION OR MASTER ASSOCIATION COULD PLACE A LIEN ON THE UNIT AND POSSIBLY SELL IT TO PAY THE DEBT. THE PROJECT DECLARATION AND MASTER DECLARATION AND THEIR RESPECTIVE BYLAWS, POLICIES AND RULES AND REGULATIONS MAY PROHIBIT THE OWNER FROM MAKING CHANGES TO THE UNIT OR RELATED LIMITED COMMON ELEMENTS WITHOUT AN ARCHITECTURAL REVIEW BY THE ASSOCIATION AND/OR THE MASTER ASSOCIATION (OR BY A COMMITTEE THEREOF) AND THE APPROVAL OF THE ASSOCIATION, MASTER ASSOCIATION OR COMMITTEE. PROPERTY OWNERS IN SUCH DISTRICTS MAY BE PLACED AT RISK FOR INCREASED MILL LEVIES AND TAX TO SUPPORT THE SERVICING OF SUCH DEBT WHERE CIRCUMSTANCES ARISE RESULTING IN THE INABILITY OF SUCH A DISTRICT TO DISCHARGE SUCH INDEBTEDNESS WITHOUT SUCH AN INCREASE IN MILL LEVIES. BUYERS SHOULD INVESTIGATE THE SPECIAL TAXING DISTRICTS IN WHICH THE PROPERTY IS LOCATED BY CONTACTING THE COUNTY TREASURER, BY REVIEWING THE CERTIFICATE OF TAXES DUE FOR THE PROPERTY, AND BY OBTAINING FURTHER INFORMATION FROM THE BOARD OF COUNTY COMMISSIONERS, THE COUNTY CLERK AND RECORDER, OR THE COUNTY ASSESSOR.**

f. Surface Estate Disclosure. **THE SURFACE ESTATE OF THE PROPERTY MAY BE OWNED SEPARATELY FROM THE UNDERLYING MINERAL ESTATE, AND TRANSFER OF THE SURFACE ESTATE MAY NOT INCLUDE TRANSFER OF THE MINERAL ESTATE. The “**R-Value**” indicates the resistance of insulation to heat flow. The higher the R-Value, the greater the insulating power. Seller has not made its own independent determination of the R-Value data provided to Seller by the insulation manufacturer. Purchaser is advised to confirm the specific components of the Unit in the Plans and Specifications if there are questions or concerns.

18. Corporations, Partnerships and Associations, and Liability.

a. Corporations. If Purchaser is a corporation, Purchaser shall deliver to Seller at or prior to Closing a copy of a resolution of Purchaser, duly adopted and certified by the secretary of Purchaser as required by the laws of the state of Purchaser’s incorporation, authorizing the purchase of the Unit, together with all trade name affidavits and other documents required by Colorado law to enable Purchaser to hold title to the Unit. Purchaser represents and warrants that, at Closing, Purchaser will be in good standing and authorized, as necessary, to conduct its business in Colorado.

c. Joint and Several Liability. If Purchaser is comprised of two or more parties, they shall be jointly and severally obligated under this Agreement.

c. Ongoing Construction Activities; Surrounding Development. Purchaser acknowledges and recognizes that because Purchaser will be purchasing the Unit during a period in which construction is or will be occurring and that the Unit may be completed prior to the completion of other units of the Project or in other projects being developed in the neighborhood, Purchaser may experience construction-related impacts, inconveniences and disruptions, such as, but not limited to: traffic, noise, detours, congestion, dust, and dirt during the course of ongoing construction in the neighborhood and surrounding areas. Purchaser waives all claims with respect thereto. Purchaser agrees that if Purchaser, Purchaser's family, guests, employees, contractors, agents, or invitees enter onto any area of construction, they do so at their own risk, and neither Seller, nor Seller's contractors, agents or employees shall be liable for any damage, loss or injury to such persons. In addition, areas may become damaged during the process of the construction that is taking place at or around the Project. The incompleteness of construction of any such areas, the construction related thereto, and any damage resulting from construction at or around the Project shall not delay Closing.

Land uses adjacent to and in the vicinity of the Project may be subject to revision and change due to social, governmental, and zoning conditions. Seller is not responsible for any other land uses, facilities, or improvements which are adjacent to or in the vicinity of the Project or the timing of such any such

Seller makes no warranties or representations that the land or adjoining properties will be developed as planned, including, without limitation, any planned future phases of the Project.

Purchaser, upon Closing, together with other owners in the Project shall be “Riverfront Residential Members” of the Master Association as set forth in the Master Declaration. All expenses defined as Shared Easement Payments applicable to the Club Recreational Facilities Easement shall be common expenses of the Master Association. Purchaser acknowledges and understands that the Club Recreational Facilities (including, without limitation, the Amenity Unit) shall be used by persons other than owners within the Project or within Riverfront Village as further described in the Master Declaration. Other than the Club Recreational Facilities, no interest in or right to use any amenity located near the Project, such as club facilities, ski facilities, golf facilities, parking facilities or the like, shall be conveyed to Purchaser pursuant to this Agreement.

e. Amenity Unit; Supplemental Master Association Assessments. Purchaser acknowledges that the Project contains the Amenity Unit and that the Project is subject to the Supplemental Master Association Assessments, each as defined and described in this Agreement above.

f. Railroad Tracks. The Project is located near railroad tracks and, while the use of such tracks is currently limited, regular future use may restart, which use may cause considerable noise and other inconveniences.

g. Gondola; Ski Area Operations. Purchaser acknowledges and accepts that the Project is located in the vicinity of a high-speed public gondola connecting Riverfront Village to the Beaver Creek Landing site within Beaver Creek Resort (the “Gondola”). The Gondola, coupled with related commercial uses which may or may not include lift ticket sales and other mountain support services, will generate impacts and inconveniences commensurate with the public nature of such uses. The Gondola is currently operated by The Vail Corporation under an agreement between the Confluence Metropolitan District and The Vail Corporation. Purchaser acknowledges that the Gondola is expected to operate generally between December 20 and April 1 of each ski season, but that it may operate less often or at other times and dates as determined by the Confluence Metropolitan District and the Town of Avon in their sole discretion. Purchaser acknowledges that Seller is not the operator of the Beaver Creek ski area, and accordingly, Seller cannot make any representations relating thereto. More specifically, the Lower Beaver Creek Mountain Express Lift, which is also known as Chair Lift 15, is neither owned nor operated by Seller nor the Confluence Metropolitan District and no representation whatsoever is made to Purchaser regarding dates or time of operation. Neither Seller nor any of its employees or agents has made any representations regarding the opening or closing dates of Chair Lift 15 or of such ski area in any given year. Purchaser fully understands that the operator of the Beaver Creek ski area may decide, in its sole discretion, whether any or all of the chairlifts (including Chair Lift 15) within the Beaver Creek ski area should be operated.

Without limiting the generality of the foregoing, Purchaser specifically acknowledges that Seller has made no representations regarding opening and closing dates of the Beaver Creek ski area.

h. Other Property Uses Within Subdivision. Purchaser acknowledges that other properties located in the vicinity of the Project may be developed pursuant to the land uses and restrictions set forth in the Riverfront Village Planned Unit Development documentation as the same may be amended from time to time (the “**Riverfront Village PUD**”), with no representation being made herein concerning the planned uses of such other properties. By executing this Agreement, Purchaser has not relied upon any statements or representations regarding the Riverfront Village PUD or any other properties, including, without limitation, any representations made by Seller or Broker, except for the statements and representations expressly set forth in this Agreement and the Riverfront Village PUD documentation. Purchaser acknowledges and agrees that the real estate subject to the Riverfront Village PUD may be developed in accordance with the Riverfront PUD.

i. Nearby Facilities and Uses. The Project is located adjacent to or near a Town of Avon public park and a Town of Avon bus transit station, and the use of such park and transit station may generate considerable noise and other inconveniences. Further, a water treatment facility is located at the western boundary of Riverfront Village, which may at times generate odors or other impacts.

j. Mountain Conditions. Ownership of real property in mountain areas involves certain inherent inconveniences. These include, but are not limited to, (a) dripping water onto decks and porches from snow melt, (b) snow and ice build-up on roofs, decks and porches during winter months, and the need to remove snow and ice to prevent leaking or damage to these structures, (c) the need to maintain the internal temperature of the Unit at a minimum temperature of 60 degrees in order to prevent broken pipes, and (d) other inconveniences arising from the sometimes severe winter conditions in the Rocky Mountains.

k. Interest Rate Fluctuations. Purchaser acknowledges that interest rates may increase or decrease between the date of this Agreement and the date the Purchaser’s lender commits to an interest rate on Purchaser’s loan. Fluctuations in the interest rate for Purchaser’s loan and the terms and conditions of the loan are solely between the Purchaser and the Purchaser’s lender and Purchaser assumes the risk of rate fluctuations. In no way shall interest rate fluctuations or changes in the terms of Purchaser’s loan relieve Purchaser of any obligation with respect to this Agreement.

l. No Environmental Representation. PURCHASER ACKNOWLEDGES AND AGREES THAT SELLER HAS NOT MADE, AND SELLER HEREBY SPECIFICALLY DISCLAIMS, ANY WARRANTY OR REPRESENTATION CONCERNING ANY GEOLOGICAL OR ENVIRONMENTAL MATTERS PERTAINING TO THE PROJECT PROPERTY.

m. Nuisance Disclaimer. Purchaser acknowledges that living in a multi-unit project and/or living in close proximity to other residences and commercial property entails living very close to other persons, businesses, hotels, traffic, public transportation and commercial activities with attendant limitations on solitude and privacy. Purchaser may hear noise from adjacent units within the Project and surrounding properties, including but not limited to, noises from residents and pets of other units. Purchaser may also experience light entering the Unit from street lighting, commercial lighting, LED signs

and displays, and other lighting in the vicinity of the Project. Purchaser releases Seller from any and all claims arising from or relating to the presence of noise and light in and about the Project and the Unit.

n. No View Easement. Notwithstanding any representation made to Purchaser to the contrary by Seller, any real estate agency or any agent, employee or representative of Seller, or any other person, and by signing this Agreement, Purchaser acknowledges and agrees, there is no easement or other right, express or implied, for the benefit of Purchaser or the Unit for light, view or air included in or created by this Agreement, the Project Declaration, the Master Declaration, or as a result of Purchaser owning the Unit. Purchaser represents to Seller that he or she has in no way relied upon any statements or representations as to the location, height, design, dimensions or other elements of any development in the vicinity of the Project in connection with Purchaser's purchase of the Unit. Any such elements depicted on models or other renderings cannot be relied upon as accurate.

o. Property Management. Purchaser acknowledges and accepts that an affiliate of Seller shall act as property and association manager for the Project.

p. Deed Restricted Units. Purchaser acknowledges and accepts that the Project includes two (2) residential units deed restricted to require long-term occupancy of the unit by an individual who works in Eagle County as set forth in the applicable deed restriction.

q. Homeowner Maintenance Manual. Purchaser acknowledges that he or she shall receive a homeowner maintenance manual from Seller at Closing and that he or she is responsible for maintaining the Unit and personal property contained therein, including without limitation, refrigerators, microwave ovens, dishwasher, ovens and other appliances, in accordance with said maintenance manual. Purchaser further acknowledges that he or she shall turn over the homeowner maintenance manual to any future purchaser of the Unit.

r. No Smoking. Purchaser acknowledges that smoking is strictly limited to within the Unit and smoking is prohibited on all other areas of the Project in the manner set forth in the Project Declaration and the rules and regulations of the Association.

s. Declarant Inaction. Purchaser acknowledges that Seller, as Declarant under the Project Declaration, shall not be responsible for responding to or taking any affirmative action on behalf of the Association or Master Association or an individual member of the Association or Master Association to mitigate, alleviate, remedy or cure any off-site conditions that may directly impact the Association or Master Association or any portion thereof, and such inaction by Seller, as Declarant under the Project Declaration, shall not constitute a breach of fiduciary duty by the directors and officers of the Association or Master Association that are appointed by Seller, as Declarant under the Project Declaration, pursuant to the Bylaws of the Association and of the Master Association.

t. Retail and Commercial Operations. Purchaser acknowledges that Purchaser is placing no reliance on the existence of any particular amenity, resort activity, hotel brand, retailer or commercial operations in the vicinity of the Project. No representation or promise has been or is made with respect to any particular amenity, resort activity, hotel brand, retailer or commercial operations and Purchaser acknowledges that initial operations and activities may change without notice. Purchaser acknowledges

that commercial and public activities are and will be conducted within or near the Project (the “**Commercial Activities**”). The Commercial Activities within the Project and surrounding areas are expected to generate an unpredictable amount of visible, audible and odorous impacts and disturbances. The Commercial Activities within the Project may include, without limitation, retail sales, public facilities, special events and other uses or activities permitted by law, which uses and activities may occur during daytime and nighttime. Purchaser acknowledges that the Commercial Activities may affect Purchaser’s use and enjoyment of the Unit. Further, certain Commercial Activities and resort, retail and commercial operations may close during periods of the year at the discretion of the owner or operator of the applicable operation or activity.

u. Materials. Purchaser acknowledges and understands that the wood products included as part of the Unit are natural materials subject to the laws of nature, and therefore, some warpage, twisting, cracking and splitting may occur. Purchaser acknowledges that noise transference is greater for wood floors than for carpeted floors. Purchaser further acknowledges that certain features, items and equipment (including, without limitation, paint, tile, stone and/or mechanical equipment) are subject to change or variation naturally or by the manufacturer and may vary from those depicted on the Plans and Specifications.

v. Walls. Purchaser acknowledges that he or she may not, without the prior written consent of the Executive Board of the Association, penetrate the Unit’s interior drywall (or other interior surface material) of any exterior wall or of any demising wall for any reason, including, by way of illustration, but not limitation, running speaker wire or cable in the Unit.

w. Grilling; Patio Furniture. Purchaser acknowledges that grills, patio furniture and the balcony, patio and terrace areas of the Units are regulated by the Project Declaration and the rules and regulations of the Association.

x. Window Tinting. Purchaser acknowledges that he or she is not permitted to tint any window on the Project or in the Unit. Purchaser further acknowledges that tinting any window will void any express or implied warranty regarding the Unit and/or Project given by Seller.

y. Seller Solely Responsible for Obligations. Seller is part of the family of related but independent companies affiliated with East West Partners, Inc. “East West” is a service mark of East West Partners, Inc. Seller is a separate, single-purpose entity that is solely responsible for all of its obligations and liabilities, and it is not the agent of East West Partners, Inc. or any other entity. Any obligation or liability of Seller shall be satisfied solely from the assets of Seller.

z. Radon Gas. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Colorado. Additional information regarding radon and radon testing may be obtained from a municipal public health unit. Purchaser acknowledges that Seller and the Association have not performed any testing or evaluation of, and make no representations or warranties, express or implied, concerning the past, current or future presence or absence of radon gas in the Unit or in Common Elements of the Project. The correction or mitigation of any radon gas accumulation shall be the sole responsibility of Purchaser.

aa. **Condensation.** In the event of cold outside air temperatures and/or high humidity inside the Unit, condensation and/or frost and ice may form on glass and/or any aluminum frame. Purchaser acknowledges the responsibility to maintain Unit humidity within levels specified by the warranty materials provided to Purchaser, and that Seller is not responsible for any damage to the Unit or to personal items in the Unit, including, but not limited to, hardwood flooring or other flooring material or gypsum drywall, which may occur due to condensation resulting from high humidity levels.

bb. **Mold.** Mold is a naturally occurring living organism that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it. Mold has been found in buildings in Colorado at levels that may pose health risks to occupants. Additional information regarding mold and mold testing may be obtained from the applicable county public health department. Purchaser acknowledges that Seller and the Association are not obligated to perform any testing or evaluation of, and make no representations or warranties, express or implied, concerning the past, current or future presence or absence of mold in the Unit or in Common Elements of the Project. The correction or mitigation of any mold shall be the sole responsibility of Purchaser.

cc. **Important Notice Regarding Soils Condition.** Purchaser acknowledges that he has been advised by Seller, and understands, that the soils within the State of Colorado consists of both expansive soils and low-density soils which will adversely affect the integrity of the Project Property if not properly maintained, and may cause concrete flatwork and paving to crack or heave due to settling, expansion and contraction. PURCHASER FURTHER ACKNOWLEDGES AND AGREES THAT SELLER HAS NOT MADE, AND SELLER HEREBY SPECIFICALLY DISCLAIMS, ANY WARRANTY OR REPRESENTATION CONCERNING ANY GEOLOGICAL OR ENVIRONMENTAL MATTERS PERTAINING TO THE PROJECT OR THE LAND UNDERLYING THE PROJECT.

dd. **Seller's Development Plans.** Seller has the right at any time, and from time to time without notice, to elect for whatever reasons Seller deems appropriate in its sole and absolute discretion to (a) notwithstanding **Exhibit A** hereto or any proposed development or site plan for the Project, change the current development plan for the Project or the style, design, size, price, materials, specifications, number of units, or any other feature or attribute of units Seller owns or may build within the Project or in the vicinity of the Project, (b) change the timing of its construction of any other units or decide not to build at all any or all other units contemplated by any development plan related to the Project, and/or (c) use any method of marketing to sell, lease or otherwise dispose of any or all of its remaining or future inventory of units within the Project, including the use of incentives, concessions, price reductions, lot sale programs, bulk sales, or other promotions and techniques without any obligation to offer any comparable benefits to Purchaser. Seller cannot be responsible for fluctuations in the market for the price of homes or for other market conditions affecting the Project, and Seller has the absolute right to respond to market demands.

ee. **Negotiation of Purchase Price.** The Purchase Price and any inclusions or exclusions Purchaser may have received as part of the Purchase Price are the result of an arms-length negotiation with Seller and are not based upon any agreements, guarantees, promises or representations concerning property values; the past, present, or future prices paid or to be paid for other units within the Project; or any inclusions or exclusions offered in conjunction with any such sales. This Agreement does not create, on the part of Seller, any obligation to take any action or refrain from taking any action in

connection with the development or marketing of the Project that would support or enhance the value of the Project and its properties.

ff. Materiality. Purchaser acknowledges and agrees that the disclaimers contained in this Section 19 are material to Seller entering into the Agreement and, as such, Purchaser specifically acknowledges Purchaser's awareness of each disclosure and agrees to advise any subsequent purchaser of the Unit of same. Purchaser agrees to hold Seller harmless from and to indemnify Seller against any and all claims arising by or through Purchaser based on any matter contained in this Section 19, and neither Purchaser nor anyone acting on behalf of Purchaser shall make any conflicting representations with respect to such matters.

20. Miscellaneous.

a. Binding Effect. This Agreement shall be binding upon and inure to the benefit of Purchaser and Seller and their respective heirs, personal representatives, successors and permitted assigns.

b. Reporting of Transaction. The Title Company or Seller shall prepare promptly after the Closing, a Form 1099-B with the Internal Revenue Service, if applicable under Section 6045(e)(2) of the Internal Revenue Code, as amended. The Title Company will also prepare the real property transfer declaration required under Colo. Rev. Stat. § 39-14-102, as amended from time to time.

c. FIRPTA Affidavit. At the Closing, Seller shall deliver to Purchaser a certificate that Seller is not a non-resident alien as defined in the Internal Revenue Code and Treasury Regulations promulgated thereunder as necessary to comply with Section 1445 of the Treasury Regulations.

d. State of Colorado Withholding Requirements. Seller agrees to execute necessary documents and to comply with requirements of the State of Colorado relating to the withholding of proceeds of the Purchase Price.

e. Entire Agreement. THIS AGREEMENT EMBODIES AND CONSTITUTES THE ENTIRE UNDERSTANDING BETWEEN THE PARTIES WITH RESPECT TO THE TRANSACTIONS CONTEMPLATED HEREIN AND ALL PRIOR OR CONTEMPORANEOUS AGREEMENTS, UNDERSTANDINGS, REPRESENTATIONS AND STATEMENTS (ORAL OR WRITTEN) ARE MERGED IN THIS AGREEMENT. NEITHER THIS AGREEMENT NOR ANY PROVISION HEREOF MAY BE WAIVED, MODIFIED, AMENDED, DISCHARGED OR TERMINATED EXCEPT BY AN INSTRUMENT IN WRITING SIGNED BY THE PARTY AGAINST WHOM THE ENFORCEMENT OF SUCH WAIVER, MODIFICATION, AMENDMENT, DISCHARGE OR TERMINATION IS SOUGHT AND THEN ONLY TO THE EXTENT SET FORTH IN SUCH INSTRUMENT. NO BROKER, SALES PERSON, EMPLOYEE OR AGENT OF SELLER HAS AUTHORITY TO MODIFY THE TERMS HEREIN NOR ANY AUTHORITY WHATSOEVER TO MAKE ANY REFERENCE, REPRESENTATION OR AGREEMENT NOT CONTAINED HEREIN, NOR SHALL ANY SUCH REFERENCE, REPRESENTATION OR AGREEMENT BE BINDING UPON SELLER OR IN ANY WAY AFFECT THE VALIDITY OF THIS AGREEMENT OR FORM ANY PART HEREOF. PURCHASER ACKNOWLEDGES THAT NO REPRESENTATIONS HAVE BEEN MADE BY ANY BROKER, OR BY SELLER, ITS AGENTS OR EMPLOYEES OR IN

ANY MARKETING OR OTHER MATERIALS IN ORDER TO INDUCE PURCHASER TO ENTER INTO THIS AGREEMENT, OTHER THAN AS EXPRESSLY STATED HEREIN. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, PURCHASER ACKNOWLEDGES THAT NEITHER SELLER, NOR ANY BROKER, NOR SELLER'S AGENTS OR EMPLOYEES HAVE (I) MADE ANY REPRESENTATION OR STATEMENT TO PURCHASER OF THE INVESTMENT POTENTIAL OR RESALE AT ANY FUTURE DATE, AT A PROFIT OR OTHERWISE, OF THE UNIT; (II) RENDERED ANY ADVICE OR EXPRESSED ANY OPINIONS TO PURCHASER REGARDING ANY TAX CONSEQUENCES OF OWNERSHIP OF THE UNIT, OR (III) MADE ANY STATEMENT OR REPRESENTATION NOT SET FORTH IN THIS AGREEMENT. PURCHASER ACKNOWLEDGES THAT PURCHASER HAS READ AND UNDERSTANDS EACH AND EVERY PART OF THIS AGREEMENT. THE PROVISIONS OF THIS SECTION 20(e) SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT AND THE CLOSING.

f. Survival of Representations, Warranties and Covenants. All representations, warranties and covenants set forth in this Agreement shall survive the Closing.

g. Section Headings. The section headings are inserted only for convenient reference and do not define, limit or prescribe the scope of this Agreement.

h. Force Majeure. The time required hereunder for any obligation imposed upon Seller will be extended for any delays recognized under Colorado law as legally permissible delays, including, but not limited to, delays caused by weather, inability to obtain materials, labor shortages, strikes, acts of God, pandemic, quarantine, governmental regulations, public health orders, contractor's breaches of contract, court orders and Purchaser change orders permitted by Seller in Seller's sole discretion.

i. Governing Law. This Agreement shall be construed under the provisions of Colorado law.

j. Number and Gender. The term "Purchaser" in this Agreement, or any pronoun used in place of that term, shall include the masculine, feminine, singular, plural, individuals, partnerships or corporations where applicable.

k. Interstate Land Sales. This Agreement is exempt from the Interstate Land Sales Full Disclosure Act, 15 USC §1701 et seq. Seller's use of the exemption, instead of the Act's regulatory application and review process, serves the legitimate business purpose of allowing Seller to offer the Unit at a more competitive price, because the exemption allows Seller savings and flexibility in the timing, terms and conditions of Seller's arrangements for the marketing and management of Seller's inventory of properties in the Project.

l. Construction of Agreement and Severability. Seller and Purchaser intend that all provisions of this Agreement be given full effect and be enforceable strictly in accordance with their terms. If, however, any part of this Agreement is not enforceable in accordance with its terms or would render other parts of this Agreement or this Agreement in its entirety unenforceable, the unenforceable part or parts are to be judicially modified, if at all possible, to come as close as possible to the expressed intent of

such part or parts and still be enforceable without jeopardy to other parts of this Agreement, or this Agreement in its entirety, and then are to be enforced as so modified. If the unenforceable part or parts cannot be so modified, such part or parts shall be unenforceable and considered null and void in order and shall not invalidate any other terms, covenants, or provisions and all of the remaining terms, covenants, and provisions shall remain in full force and effect so that the mutual paramount goal that this Agreement is to be enforced to the maximum extent possible strictly in accordance with its terms can be achieved. Without limiting the generality of the foregoing, if the mere inclusion in this Agreement of language granting to Seller certain rights, remedies and powers, or waiving, releasing or limiting any of Purchaser's rights, remedies or powers or Seller's obligations, results in a final determination (after giving effect to the above judicial modification, if possible) that Purchaser has the right to cancel this Agreement and receive a refund of the Earnest Money Deposit, such offending rights, powers, limitations, releases and/or waivers shall be struck, canceled and rendered unenforceable, ineffective, and null and void. Under no circumstances shall either Purchaser or Seller have the right to cancel this Agreement solely by reason of the inclusion of certain language in this Agreement, unless the specific purpose of that language is to grant a right of cancellation.

m. Exhibits. All exhibit referenced in this Agreement and attached hereto shall be deemed incorporated into this Agreement by such reference.

n. Effective Date. The effective date of this Agreement shall be the later of the dates on which Seller and Purchaser execute this Agreement. Notwithstanding the foregoing, this Agreement shall not be binding upon Seller until executed by an authorized representative of Seller and the full amount of the Initial Deposit has been received by Seller and any checks provided by Purchaser for the Initial Deposit have cleared.

o. Signatures. Signatures on this Agreement may be transmitted by email, facsimile or other electronic means and copies so signed shall be binding as originals. The parties may execute this Agreement in counterparts which, when taken together, shall constitute a single binding agreement.
